

Full Synthetic MOTOR OIL energy **API**

Superior Quality Control ensures crucial protection and extreme performance

EuroLine Approvals:

- API SN CF
- MB-Approval 229.3
- Porsche A40
- VW 502.00/505.00

EuroLine meets or exceeds:

- ACEA A3/B3-16
- ACEA A3/B4-16
- ACEA A5/B5-16
- BMW
- Chrysler
- JASO MA2 (T903-2011)
- MB 226.5 v2016.1
- MB 229.5 (v2012.2)
- MB 229.3 (v2012.2)
- Renault RN 0700 / RN 0710
- and other stringent European American, Asian and OEM manufacturers' standards

European Formula Motor Oil

Advanced European Technologies

EUROLINE

Oil of Europe

EUROPEAN FORMULA MOTOR OIL

It is important to ensure that you are using the right oil for your car. European vehicles, in particular, require special additives to meet the much stricter European engineering and emission standards and to provide a longer oil change intervals.

Using the wrong motor oil can lead to increased wear and corrosion damage which can reduce the lifespan of your engine or lead to catastrophic engine failure. Moreover, using the wrong oil can damage your vehicles emissions-control systems.

Everest Full Synthetic European Formula EuroLine Motor Oil is a specialized multi-grade oil designed with a state-of-the-art low friction additive system to meet the latest stringent, high-performance European OEM standards.

SPECIALIZED FULL SYNTHETIC EUROPEAN MOTOR OIL

- **Designed especially for European gasoline and diesel engines**
- **Official Approved and meets or exceeds stringent requirements for:** API SN/SM/SL/CF, MB-Approval 229.3, Porsche A40, VW 502.00/505.00
- **Meets or exceeds International OEM specifications including but not limited to:** ACEA A3/B3-16, ACEA A3/B4-16, JASO MA2 (T903-2011), MB 226.5/229.5, Renault RN 0700/RN 0710 and many others
- **Designed for maximum engine performance, protection, and longevity**
Contains dispersant additives specially developed to provide superior rust, corrosion and oxidation protection and is aggressive resistance to sludge formation and varnish deposits
- **Outstanding oxidation stability and low volatility properties**
Excellent low-temperature pumpability for cold starts
- **More robust oil for longer drain intervals**

AVAILABLE PACKAGING:

- 1 QT (1L) • 1 Gal (4L) • 5 QT (5L) • 5 Gal (19L) Pail • 6-Gal (22L) Eco Box
- 55 Gal Drum (208L) • Bulk • Bulk Option for Oil: 6280 Gal Flexi Tank

Everest Full Synthetic EuroLine SAE 5W-40 Motor Oil meets or exceeds MB-Approval 229.3, (API) American Petroleum Institute SN service classifications and is compatible with all prior API categories. Everest Full Synthetic EuroLine SAE 5W-40 Motor Oil has been field tested to be comparable to most American, Asian and European manufacturers' standards including ACEA A3/B3 & A3/B4, MB 229.3, Porsche A40, Renault RN 700 / RN 710, VW 502.00/505.00 and other OEM's specifications where a full synthetic API SN motor oil is recommended.

Everest Full Synthetic EuroLine SAE 5W-30 Motor Oil meets or exceeds SN / CF service classifications and is compatible with all prior categories. Everest Full Synthetic EuroLine SAE 5W-30 Motor Oil has been field tested to be comparable to most American, Asian and European manufacturers' standards including ACEA A3/B3, A3/B4, A5/B5-16, Chrysler, Ford, Porsche, Renault, VW, and other OEM's specifications where a full synthetic SN motor oil is recommended.
