Welcome

Welcome to US Global Petroleum!

US Global Petroleum is a manufacturer and a global distributor of API licensed quality lubricants, hydraulics and chemicals. We started our business in 2008 and expanded in 2011 by acquiring the Conoco Phillips plant in Franklin Park, Illinois, and since have enjoyed rapid business growth.

The plant was previously owned by both Shell and the Magie Brothers Oil Company, a name that has been in the oil business since 1900. The Magie Brothers Oil Company moved through several locations in the Chicago area in the 20th century with its last stop in Franklin Park, IL, where US Global is now operating. We are proud to be a part of that oil industry evolution and we merge it with the most innovative technology, equipment and knowledge base.

Today, US Global annually delivers more than 20 million liters of the finished product blended under precise supervision and quality control of US Global chemists and engineers. Our customers are wholesale automotive aftermarket distributors, retail chains, gas stations and government agencies that demand the best value from a reliable long-term business partner.

We offer the most competitive manufacturing prices and uncompromised "made in the USA" quality and service. We continuously develop a knowledge base for our customers to help them understand the latest technology trends in the industry. We sell more than oil - we offer ongoing customer support and build strong business relationships to grow our business together with our customers.

Our vision is to be a true partner to our customers and suppliers alike. So let us know how we can help you with your business, because your success is our success.

We welcome our business partners to tour our plant. Please contact the US Global sales team to schedule your visit.

US Global Team

◆ History

◆ Team

US Global is a team of professionals with years of experience in the industry. We are proud to be an international, multi-language company and employ people of various cultures, races and religions without age and gender bias.

◆ Certified Manufacturer

ISO 9001 :2015 – Quality Management System

ISO 45001 :2018 – The System of Management of
Safety and Protection of Health at Work

ISO 14001:2015 – Environmental Management
System

◆ Manufacturer Site

- 8.5 Acres Production Facility
- 1 million Gallons Storage Tanks
- Outside Tank Capacity of 900,000 Gallons
- Inside Tank Capacity of 100,000 Gallons

◆ Packaging Lines

- 🔹 (1) Inline Filler Line
- 🔹 (2) Inline Fillers: 1 qt / 1 liter; 5 qt / 5 liter; 1 gal / 4 liter
- 🔹 (2) Drum / Tote Fillers: 16 gal / 60 liters; 55 gal / 208 liters;
265 gal / 1000 liters; 275 gal / 1041 liters; 330 gal / 1250 liters
- 🔹 (1) pail filler: 5 gal / 18.9 liters; 6.65 gal / 25 liters; 2.5 gal / 9.46 liters

◆ Logistics

- 🔹 Direct railroad access
- 🔹 Our own specialized delivery fleet
- 🔹 Import/export expertise

◆ Warehouse

- Clean, dry, temperature controlled space
- 4 Loading docks; 1 Drive In; 5 Rail Station; 4 Loading Racks; 4 Indoor Scales
- State of the art truck scale
- Inventory Management System

◆ Quality Control

- 🔹 Each batch of raw materials and finished products is carefully inspected
- 🔹 Samples are kept in the production archives for two years
- 🔹 State-of-the art fully equipped and certified Lab on site

◆ Quality Control, Testing

- 🔹 Cold crank
- 🔹 Pour point
- 🔹 Flash point
- 🔹 Additives levels
- 🔹 TBN
- 🔹 Moisture
- 🔹 Crackle test
- 🔹 Density/API gravity
- 🔹 Viscosity at 100 C°
- 🔹 Viscosity at 40 C°

◆ Knowledge Base and Training

Our customers are our partners, we provide knowledge base and support to build strong interpersonal relationships.

We are interested in growing our partners' business.

Because your success is our success.

Educational materials available upon request.

◆ Product Category

PCMO:

Motor Oil, Transmission Oil, Antifreeze, Automotive Chemicals

Diesel Fleet: :

Heavy-Duty Motor Oil, Heavy-Duty Transmission Oil, HD Antifreeze

Industrial Applications:

Hydraulic Oil, Tractor Oil, Gear Oil, Railroad Engine Oil, Marine Oil, Military Oil, Chain Oil, Spindle Oil, Way Oil, Grease, Transformer Oil
